FIFA Anti-Doping Regulations

Dear Sir or Madam,

We are pleased to send you herewith the FIFA Anti-Doping Regulations that came into force on 1 October 2012.

In this regard, we kindly inform you that the amendments that have been made to the previous version of the FIFA Anti-Doping Regulations are mainly of a structural nature.

We would like to reiterate that all member associations are obliged to adopt the FIFA Anti-Doping Regulations within their own jurisdiction and to ensure that they are applied in their doping procedures. In this regard, we refer to the explanations given in circular 1189 and urge those associations which have not yet sent a copy of their adapted anti-doping regulations to FIFA to do so at their earliest convenience.

Finally, we kindly ask you to study the FIFA Anti-Doping Regulations carefully and to inform your affiliated clubs, players and all other persons concerned accordingly.

We remain at your disposal for any questions relating to the above.

Yours faithfully,

FIFA
