

TO THE MEMBERS OF FIFA

Circular no. 1506

Zurich, 16 October 2015

ASG/pco

Suspension of the Kuwait Football Association as of 16 October 2015 and until further notice

Dear Sir or Madam,

We inform you that, based on the decision taken by the FIFA Executive Committee on 25 September 2015, the Kuwait Football Association (hereinafter: KFA) has been suspended according to Article 14 of the FIFA Statutes as of 16 October 2015 and until further notice.

Consequently, KFA loses all its membership rights as defined in Article 12 of the FIFA Statutes, with immediate effect and until further notice. The KFA representative and club teams are no longer entitled to take part in international competitions as of 16 October 2015 and until the matter is resolved. This also means that, as of 16 October 2015, neither the KFA nor any of its members or officials could benefit from any development programme, course or training from FIFA or the Asian Football Confederation (AFC) any longer. Moreover, we remind you and your affiliates not to enter into any sporting contact with the KFA and/or its teams during the suspension of the association.

Finally, the FIFA Emergency Committee or the FIFA Executive Committee may lift this suspension at any time and we will inform you accordingly.

Thank you for taking note of the above.

Yours faithfully,

FIFA

Markus Kattner
Acting Secretary General
