

# Ticket Categories available for 2014 FIFA World Cup™

## 1. Which Ticket Categories are offered by FIFA?

There will be four price categories offered for the 2014 FIFA World Cup™:

- Category 1: This is the highest priced and located in prime areas within the Stadium.
- Categories 2 and 3 are located outside of the Category 1 area.
- Category 4 is the most affordable and is reserved exclusively for residents of Brazil.

## 2. How does FIFA in general decide which seats belong to which category?

FIFA determines the categorisation of each seat in the Stadium on a Match-by-Match basis. This means that (i) the Ticket Category may vary from Match to Match; (ii) all Ticket Categories may comprise stadium seats of the lower and upper tier, (iii) the Ticket Categorisation remains unaffected from any conditions on the Match day, such as weather conditions; and (iv) Ticket Category boundaries may vary from Match to Match. Such differentiation is necessary to secure that the maximum number of Tickets can be made available to football fans.

## 3. Where is category 1, category 2, category 3 and category 4 located in the stadium in Belo Horizonte?

Please note that the colours in the Stadium Map illustrate the areas in which seats of a certain Ticket Category may regularly be located. In order to make as many Tickets as possible available for fans and at the same time to secure that the global media and other stakeholders are properly serviced, FIFA may redesign the areas in which seats of a certain Ticket Category are located.
