2018 FIFA COMPLIANCE SUMMIT

Dear General Secretary

In 2017, a first Compliance Summit was held at the Home of FIFA in Zurich to bring together the compliance professionals of FIFA's member associations and confederations. Following the positive feedback we received, I am very pleased to inform you that we are organising a second compliance summit in 2018.

The main objective of this summit will be to provide an overview of key compliance concerns and challenges in the football industry, as well as to provide a setting for professionals in the field to share knowledge and best practices. It will be a great opportunity to connect with each other and gain valuable insights!

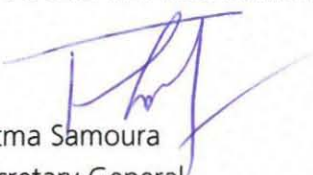

The **2018 FIFA COMPLIANCE SUMMIT** will take place in Zurich in **October** (date to be confirmed) and we would like to invite one member from your association who is responsible for compliance. FIFA has allocated a budget to cover the flights and hotel accommodation for **one delegate each** for the duration of the summit.

More details on the programme, including the date, will follow in due course. In the meantime, you are kindly requested to nominate your compliance professional. In order to do so, please email Leslie Overdick (leslie.overdick@fifa.org) or reply to this letter by no later than 30 March, so that we can plan accordingly.

We will be delighted to meet your delegate in Zurich in October!

Yours faithfully,

FÉDÉRATION INTERNATIONALE
DE FOOTBALL ASSOCIATION
