

Appendix A - 2018 FIFA World Cup™ - News Access Contact List

The following Media Right Licensees have been appointed by FIFA to license bona-fide Television News Access footage to domestic television channels for the respective territories below. For News Access in any of the territories listed below, please therefore contact the relevant broadcaster. In addition to the terms of the news access footage licence entered into by the users of News Access footage, the use of such footage is subject to the terms and conditions of local customary news access laws and customs in the territory of use.

In the absence of any such laws or customary terms in the relevant territory, the following shall apply:

1. The footage will only be available after the end of the relevant Match and use of footage must be limited (including any agreed embargo) accordingly even if footage is accidentally obtained prior to the end of the match.
2. Exploitation period is up to 24 hours after the end of the match
3. A maximum of 90 seconds of footage may be used per news programme, with a maximum of 60 seconds per match.
4. No archive rights are granted in relation to the match
5. No distribution on social media is permitted

For territories marked with an asterisk (*) Non-Right Holders can also source News Access through the News Agencies listed in the News Access Policy document.

Appendix A - 2018 FIFA World Cup™ - News Access Contact List

The following Media Right Licencees have been appointed by FIFA to license bona-fide Television News Access footage to domestic television channels for the respective territories below. For News Access in any of the territories listed below, please therefore contact the relevant broadcaster. In addition to the terms of the news access footage licence entered into by the users of News Access footage, the use of such footage is subject to the terms and conditions of local customary news access laws and customs in the territory of use.

In the absence of any such laws or customary terms in the relevant territory, the following shall apply:

1. The footage will only be available after the end of the relevant Match and use of footage must be limited (including any agreed embargo) accordingly even if footage is accidentally obtained prior to the end of the match.
2. Exploitation period is up to 24 hours after the end of the match
3. A maximum of 90 seconds of footage may be used per news programme, with a maximum of 60 seconds per match.
4. No archive rights are granted in relation to the match
5. No distribution on social media is permitted

For territories marked with an asterisk (*) Non-Right Holders can also source News Access through the News Agencies listed in the News Access Policy document.
