__._.2017

The Autonomous Non-profit Organization «Organizing Committee - 2018» (hereinafter «the Client») and The Company _____, (hereinafter «The Company») represented by _____, acting on _____, seeking to ensure The Company's eligibility for the Public Request for Proposals №ОЗП/51 held by the Client (hereinafter “the Project”), have entered into this Nondisclosure Agreement.

1. WHAT CONSTITUTES CONFIDENTIAL INFORMATION

The Company undertakes to consider as confidential any confidential, private, internal information, trade secret or other classified information, materials or samples that The Company receives, sees, hears or that it studies in writing or learns about in some other way in connection with the Project, and that relates to the Client or any of its affiliates or subsidiaries, irrespective of whether such information, such materials or samples were received from the Client, its affiliates or subsidiaries or from third parties on the Client’s instructions (hereinafter the “Confidential Information”). All information obtained through a statement, processing, generalizations or analytical calculations from the Confidential Information is also confidential.

2. WHAT DOES NOT CONSTITUTE CONFIDENTIAL INFORMATION

Information does not constitute Confidential Information if: (a) it is in the public domain or enters the public domain through no fault of The Company; (b) it was known to The Company before it was provided by the Client, which is confirmed by The Company’s documents; (c) it was disclosed to The Company by a third party that has not assumed any non-disclosure undertakings before the Client, which is confirmed by The Company’s documents or the documents of said third party; or (d) it was independently developed by The Company without the use of the Confidential Information, which is confirmed by The Company’s documents. The Client is not required to consider as confidential any information provided by The Company under this Agreement.

3. WHEN THE COMPANY IS ENTITLED TO RECEIVE THE CONFIDENTIAL INFORMATION

The Company is entitled to receive the Confidential Information from the date indicated in Appendix A as the “Commencement Date of the Provision of the Confidential Information” prior to the expiration of one year after said date or before the completion of the Project, depending on whichever comes later. The Client shall provide the Confidential Information at its own discretion and is not required to provide any information under this Agreement. The Company shall not acquire any rights to the Confidential Information, with the exception of rights for usage of the Confidential Information for the purpose of Project implementation

4. HOW THE COMPANY SHOULD PROTECT THE CONFIDENTIAL INFORMATION

The Company undertakes to act in good faith for the purpose of protecting the confidentiality of the Confidential Information. This undertaking means that (a) The Company undertakes to disclose the Confidential Information solely in the instances permitted by sections 5 and 6 of this

Agreement or with the preliminary written consent of the Client; b) The Company undertakes to use the Confidential Information solely in the instances when this is required in connection with the Project, and not to use it in any other way for the purpose of deriving its own benefit; and (c) The Company undertakes to take all reasonable measures for the purpose of preventing the unintentional disclosure of the Confidential Information. The Company undertakes to report attempts by unauthorized persons to obtain the Confidential Information, the loss or shortfall in the media containing such information, and also other facts that could impair the activities of the Client, and also attempts by third parties to use or disclose the Confidential Information within 2 (Two) working days of the actual receipt of the information on these attempts.

5. WHO IS ENTITLED TO HAVE ACCESS TO THE CONFIDENTIAL INFORMATION

The Company undertakes to provide access to the Confidential Information solely: (a) to its employees who require access to the Confidential Information to perform the Project; and (b) to its authorized representatives and subcontractors, who (i) require access to the Confidential Information to implement the Project, and who (ii) had been approved in advance in writing by the Client to perform the work on the Project, and (iii) have signed non-disclosure agreements, reflecting the actual transfer of such Confidential Information and establishing the procedure for its use, at the very least on terms and conditions analogous to the terms and conditions of this Agreement.

The Company undertakes to provide access to the Confidential Information solely to THE COMPANY representatives, as they are defined below, for the purpose of conducting negotiations, contract preparation and taking part in the work under the Contract for the Client, as well as reviewing the quality of procedures, and THE COMPANY professional consultants on confidential terms and conditions analogous to terms and conditions of this Agreement, for the purpose of THE COMPANY getting necessary consultation in connection with the implementation of the Project.

At the same time, "THE COMPANY Representatives" – are THE COMPANY as the Party under this Agreement; all member firms of the network affiliated with THE COMPANY International Cooperative and all controlled by such member firms individuals, including all partners, directors, employees and agents of such member firms and controlled by such individuals, and "THE COMPANY Representative" means any of the mentioned above. THE COMPANY ensures that every THE COMPANY Representative and THE COMPANY professional consultant, having access to the Confidential Information above, is informed about terms and conditions of this Agreement and complied with them.

Further to the request of the Client, The Company within 5 days should submit a report on the access of third parties to the Confidential Information, including the surname of the employee/name of the counterparty, the materials studied thereby, the grounds for the need to study them, the date and time of receipt and return of such materials. The Company is liable for the compliance by said individuals with confidentiality requirements.

6. WHEN THE COMPANY IS ENTITLED TO DISCLOSE CONFIDENTIAL INFORMATION TO THIRD PARTIES

If The Company is required to disclose the Confidential Information in accordance with a court decision or resolution of the state authority, it should notify the Client thereof as soon as possible

(other than instances where The Company by law may not provide such notice). The Company shall only have the right to disclose such Confidential Information in the scope required for the performance of this decision or resolution. At the same time, the Confidential Information remains Confidential Information protected in full by this Agreement.

7. HOW LONG THE COMPANY SHOULD ENSURE THE CONFIDENTIALITY OF THE CONFIDENTIAL INFORMATION
