## GENERAL PROVISIONS

# 1 FIFA Beach Soccer World Cup™

- 1.**  
The FIFA Beach Soccer World Cup (“World Cup”) is a FIFA competition embodied in the FIFA regulations.
- 2.**  
The World Cup takes place every two years. As a general rule, every association affiliated to FIFA may participate in the World Cup.
- 3.**  
Participation in the World Cup is free of charge.
- 4.**  
The World Cup consists of a preliminary competition and a final competition.
- 5.**  
Any rights that are not ceded by the Regulations for the FIFA Beach Soccer World Cup Russia 2021 (“Regulations”) to the Organising Association/Local Organising Committee or any Participating Member Association or to a confederation shall remain with FIFA.
- 6.**  
These Regulations regulate the rights, duties and responsibilities of all associations taking part in the FIFA Beach Soccer World Cup Russia 2021™ (“World Cup 2021”) and of the Organising Association/Local Organising Committee by forming an integral part of the Hosting Agreement (“HA”). The Regulations and all directives, decisions, guidelines and circulars issued by FIFA are binding for all parties participating and involved in the preparation, organisation and hosting of the World Cup 2021.
- 7.**  
The FIFA Statutes and all FIFA regulations in force shall apply. Any reference in these Regulations to the FIFA Statutes and regulations refers to the FIFA Statutes and regulations valid at the time of application.

## 2 Preliminary competition

### 1.

The organisation of the preliminary competition in the applicable form is assigned to the confederations in accordance with the FIFA Statutes in their applicable form. The confederations are required to draw up regulations for the preliminary competition and to submit them to FIFA at least three months before the start of the preliminary competition.

### 2.

On entering the preliminary competition, all associations automatically undertake to:

- a) accept that all administrative, disciplinary and refereeing matters related to the preliminary competition shall be dealt with by the respective confederation in compliance with the regulations submitted, and FIFA will only intervene if a confederation requests FIFA's assistance or in any cases specifically provided for in the FIFA Disciplinary Code;
- b) observe the principles of fair play.

## 3 Organising Committee for FIFA Competitions

### 1.

The Organising Committee for FIFA Competitions (the "FIFA Organising Committee"), appointed by the FIFA Council, is responsible for organising the World Cup 2021 in accordance with the FIFA Statutes and the FIFA Governance Regulations.

### 2.

The FIFA Organising Committee may, if necessary, appoint a bureau and/or a sub-committee to deal with emergencies.

### 3.

The FIFA Organising Committee shall deal with any aspect of the World Cup 2021 that is not the responsibility of any other body under the terms of these Regulations, the FIFA Statutes or the FIFA Governance Regulations.

**4.**

The decisions taken by the FIFA Organising Committee and/or its bureau/sub-committee are final and binding and not subject to appeal.

## **4 Organising Association/Local Organising Committee – responsibilities**

**1.**

The FIFA Council has appointed the Football Union of Russia (“Organising Association”) as the host of the final competition of the World Cup 2021.

**2.**

The Organising Association is responsible for organising, hosting and staging the final competition, as well as the safety and security for the duration thereof together with the host country. It shall set up a Local Organising Committee (“LOC”) in accordance with the HA. The Organising Association and the LOC shall be subject to the control of FIFA. All FIFA decisions are final.

**3.**

The obligations and responsibilities of the Organising Association with respect to the final competition are stipulated in the HA and ancillary documents, these Regulations and other FIFA regulations, guidelines, directives, decisions, circulars or any other agreement reached between FIFA and the Organising Association.

**4.**

The Organising Association shall discharge FIFA from all responsibility and relinquish any claim against FIFA and the members of its delegation for any damages resulting from any act or omission relating to the organisation and course of the World Cup 2021.

**5.**

The Organising Association shall ensure that any decision taken by FIFA relating to its duties and responsibilities is enforced immediately.

**6.**

The Organising Association’s representative team, Russia, automatically qualifies for the final competition.

## **5** Participating Member Associations – responsibilities

### **1.**

The associations that qualify for the final competition (the “Participating Member Associations”) agree to comply with and ensure that every Delegation Member (players, coaches, managers, officials, media officers, representatives, guests and any other person carrying out duties throughout the competition, and for the entire duration of their stay in the host country, on behalf of a Participating Member Association) complies with these Regulations, the Beach Soccer Laws of the Game, the FIFA Statutes and FIFA’s regulations, in particular the FIFA Media and Marketing Regulations, the FIFA Disciplinary Code, the FIFA Anti-Doping Regulations, the FIFA Code of Ethics and the FIFA Equipment Regulations, as well as with any other FIFA circular letters, regulations, guidelines, directives and/or decisions.

In addition, the players notably agree to:

- a) respect the spirit of fair play and non-violence and the authority of the match officials;
- b) behave accordingly;
- c) refrain from doping as defined by the FIFA Anti-Doping Regulations.

### **2.**

On entering the final competition, the Participating Member Associations automatically undertake to:

- a) observe these Regulations and ensure that their Delegation Members, in particular but not only their players, also observe these Regulations and the principles of fair play;
- b) accept and obey all instructions and decisions taken by the bodies and officials of FIFA under the terms of these Regulations;
- c) participate in all matches of the final competition in which their team is scheduled to take part;
- d) accept all of the arrangements relating to the final competition made by the Organising Association in agreement with FIFA;
- e) accept the use by FIFA and/or the issue of a sub-licence by FIFA to third parties, as well as the recording and broadcast of the images, names and records of all Delegation Members that may appear in connection with the final competition;
- f) ensure the provision of adequate insurance to cover their Delegation Members and any other persons carrying out duties on their behalf against all risks, including but not limited to injury, accident, disease and travel in consideration of the relevant FIFA rules or regulations.

**3.**

In addition, each Participating Member Association shall be responsible for:

- a) the conduct of its Delegation Members;
- b) paying for incidental costs and expenses incurred by its Delegation Members and any other persons carrying out duties on its behalf during the course of their stay in the host country;
- c) paying for any costs of extending the stay, before or after the final competition, of any Delegation Member or any other persons carrying out duties on its behalf;
- d) applying for visas in good time from the nearest consulate or embassy of the host country with support from the LOC, if necessary;
- e) attending all media conferences and other media activities organised by FIFA in accordance with the FIFA Media and Marketing Regulations, guidelines and circular letters;
- f) ensuring that every member of its delegation complies with the FIFA Statutes, the applicable FIFA regulations, directives, guidelines and circulars and decisions taken by FIFA bodies, in particular the FIFA Council, FIFA Organising Committee, Referees Committee, Disciplinary Committee, Ethics Committee and Appeal Committee.

**4.**

All Participating Member Associations shall confirm their participation by submitting the entry form and any other required documentation as communicated by FIFA via the corresponding circular(s), duly signed by the deadline(s) set by FIFA. The timely submission to FIFA of any such documents is of the essence. If a Participating Member Association fails to adhere to the time limits and/or fails to meet the formal requirements for submitting the necessary documents, the FIFA Organising Committee shall pass a decision.

**5.**

All Participating Member Associations shall indemnify, defend and hold FIFA, the Organising Association, the LOC, and all of their officers, directors, employees, representatives, agents, and all other auxiliary persons free and harmless against any and all liabilities, obligations, losses, damages, penalties, claims, actions, fines and expenses (including reasonable legal expenses) of whatsoever kind or nature resulting from, arising out of, or attributable to, any non compliance with these Regulations by the Participating Member Associations, their Delegation Members, their affiliates and any third parties contracted to the Participating Member Associations.

## **6** Withdrawal, unplayed matches, abandoned matches and replacement

### **1.**

All Participating Member Associations undertake to play all of their matches until eliminated from the World Cup 2021.

### **2.**

Any Participating Member Association that withdraws from the World Cup 2021 no later than 30 days before the first match of the final competition shall be fined at least CHF 15,000 by the FIFA Disciplinary Committee. Any Participating Member Association that withdraws from the World Cup 2021 fewer than 30 days before the first match of the final competition shall be fined at least CHF 20,000 by the FIFA Disciplinary Committee.

### **3.**

Depending on the circumstances of the withdrawal, the FIFA Disciplinary Committee may impose additional disciplinary measures, including the expulsion of the Participating Member Association concerned from subsequent FIFA competitions.

### **4.**

Any match which is not played or which is abandoned – except in cases of force majeure recognised by FIFA – may lead to the imposition of disciplinary measures against the relevant Participating Member Association(s) by the FIFA Disciplinary Committee in accordance with the FIFA Disciplinary Code.

### **5.**

Any Participating Member Association that withdraws or whose behaviour is liable for a match not being played or being abandoned may be ordered by the FIFA Organising Committee to reimburse FIFA, the Organising Association or any other Participating Member Association for any expenses incurred as a result of its behaviour. In such cases, the association concerned may also be ordered by FIFA to pay compensation for any damages incurred by FIFA, the Organising Association or any other Participating Member Association. The association in question will also forfeit any claim to financial remuneration from FIFA.

**6.**

If a Participating Member Association withdraws or a match cannot be played or is abandoned as a result of force majeure, FIFA shall decide on the matter at its sole discretion and take whatever action is deemed necessary.

**7.**

Further to the above provision, in the case of a match being abandoned as a result of force majeure after it has already kicked off, the following principles shall apply:

- a) The match shall recommence at the minute and second at which play was interrupted rather than being replayed in full, and with the same scoreline.
- b) The match shall recommence with the same players on the pitch and substitutes available as when the match was abandoned.
- c) No additional substitutes may be added to the list of players on the start list.
- d) A player who was sent off during the abandoned match may not re-enter the match, but may be replaced by a substitute after a lapse of two minutes (cf. Law 3 of the Beach Soccer Laws of the Game).
- e) Any disciplinary measures imposed before the match was abandoned will be dealt with in accordance with the FIFA Disciplinary Code.
- f) The kick-off time, date and location shall be decided by FIFA.

**8.**

If any Participating Member Association withdraws or is excluded from the final competition, FIFA shall decide on the matter at its sole discretion and take whatever action is deemed necessary. The FIFA Organising Committee may in particular decide to replace the withdrawn or excluded Participating Member Association in question with another Member Association.

## DISCIPLINARY PROCEDURES

A team sanctioned with a forfeit is considered to have lost the match 10-0.

#### 2.

If the goal difference at the end of the match in question is greater than ten, the result on the pitch is upheld.

#### 3.

In the event of a discrepancy between these Regulations and the FIFA Disciplinary Code on the result of a forfeited match, these Regulations shall be authoritative.

### 9 Disputes

#### 1.

All disputes in connection with the World Cup 2021 shall be promptly settled by mediation (with the exception of those falling under art. 7 above).

**2.**

In compliance with the FIFA Statutes, Participating Member Associations may not take disputes to an ordinary court of law but to the exclusive jurisdiction of FIFA.

**3.**

The Participating Member Associations acknowledge and accept that, once all stages of appeal have been exhausted at FIFA, their sole recourse shall be to the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland, unless excluded or for final and binding decisions. Any such arbitration proceedings shall be governed by the CAS Code of Sports-related Arbitration.

## **10** Protests

**1.**

For the purpose of these Regulations, protests are objections of any kind related to events or matters that have a direct effect on matches, including but not limited to the state of and markings on the pitch, accessory match equipment, eligibility of players, stadium installations and beach soccer balls.

**2.**

Unless otherwise stipulated in this article, protests shall be submitted in writing to the FIFA General Coordinator within two hours of the match in question and followed up immediately with a full written report, including a copy of the original protest, to be sent in writing and by registered letter to the FIFA headquarters in the host country within 24 hours of the end of the match, otherwise they will be disregarded.

**3.**

Protests regarding the eligibility of players nominated for matches shall be submitted in writing to the FIFA headquarters in the host country no later than five days before the first match of the final competition and shall be dealt with by the FIFA Disciplinary Committee.

**4.**

The protests shall be confirmed in writing to the FIFA General Coordinator by the head of the team delegation no later than two hours after the match.

**5.**

Protests against any incidents that occur during the course of a match shall be made to the referee by the team captain immediately after the disputed incident and before play has resumed, in the presence of the captain of the opposing team. The protest shall be confirmed in writing to the FIFA General Coordinator by the head of the team delegation no later than two hours after the match.

**6.**

No protests may be made about the referee's decisions regarding facts connected with play. Such decisions are final and not subject to appeal, unless otherwise stipulated in the FIFA Disciplinary Code.

**7.**

If an unfounded or irresponsible protest is lodged, the FIFA Disciplinary Committee may impose disciplinary measures.

**8.**

If any of the formal conditions of a protest as set out in these Regulations are not met, such protest shall be disregarded by the competent body. Once the final match of the World Cup 2021 has ended, any protests described in this article shall be disregarded. Notwithstanding the above, the FIFA Disciplinary Committee remains competent to prosecute any disciplinary infringement *ex officio*, as established in the FIFA Disciplinary Code.

**9.**

The FIFA Organising Committee shall pass decisions on any protests lodged, subject to the exceptions stipulated in these Regulations, the FIFA Statutes or any other FIFA regulations.

The group matches will be played following the schedule below. Each team plays each of the other teams in the same group once according to a league system with three points for a win, two points for a win in extra time, one point for a win in a penalty shoot-out, and no points for a defeat. There must be a winning team after every match.

# 14

## Equal points and qualification for knockout stage

**1.**

If two or more teams in the same group are equal on points after the completion of the group stage, the following criteria, in the order below, shall be applied to determine the ranking:

- Step 1:

- a) greatest number of points obtained in all group matches;
- b) superior goal difference in all group matches;
- c) greatest number of goals scored in all group matches.

- Step 2:

If two or more teams in the same group are equal on the basis of the above three criteria, their rankings will be determined as follows:

- d) greatest number of points obtained in the group matches between the teams concerned;
- e) superior goal difference resulting from the group matches between the teams concerned;
- f) greatest number of goals scored in all group matches between the teams concerned;
- g) highest team conduct score relating to the number of yellow and red cards obtained:

– yellow card:	minus 1 point
– indirect red card (as a result of two yellow cards):	minus 3 points
– direct red card:	minus 4 points
– yellow card and direct red card:	minus 5 points

Only one of the above deductions shall be applied to a player in a single match. The team with the highest number of points shall be ranked highest.

(h) drawing of lots by FIFA.

With respect to the second step, all affected teams will be ranked by applying the criteria (d) to (g) in order. If one team qualifies for a higher or lower ranking pursuant to one criterion, but it is not possible to rank all teams on the basis of the same criterion, the remaining two or three teams will be ranked pursuant to the next criterion, and so on. In any case, the second step of the ranking does not restart for the two or three teams remaining after application of a criterion.

**2.**

Only goals scored during regular time and extra time will be considered under the above resolution criteria.

## **15** Extra time and kicks from the penalty mark

**1.**

In all stages, if a match is level at the end of normal playing time, extra time shall be played. Extra time shall consist of one period of three minutes. The interval between the end of the third period and the start of extra time may not last longer than three minutes.

**2.**

If the score is still level at the end of extra time, kicks from the penalty mark shall be taken to determine the winner, in accordance with the procedure specified in the Beach Soccer Laws of the Game.

**1.**

The final list of the 12 players (two of whom shall be goalkeepers) selected to participate in the final competition shall be submitted online by the stipulated deadline in the relevant circular letter. A signed copy of this list must also be sent to FIFA by the same deadline. All information requested online about the players should be duly completed.

**2.**

The players on the final list must be chosen from the players on the provisional list. Only the 12 players on the final list will be permitted to take part in the final competition.

**3.**

A player listed on the final list may be replaced by a player from the provisional list only in the event of serious injury or illness up until 24 hours before the kick-off of his team's first match. The replacement shall be nominated by the Participating Member Association concerned, who shall inform FIFA accordingly. Upon receipt and acceptance of a written detailed medical assessment in one of the four official languages of FIFA, FIFA Medical, represented by the FIFA General Medical Officer, will confirm that the injury or illness is sufficiently serious to prevent the player from taking part in the final competition. Injured players who are replaced must return their accreditation to FIFA. Accordingly, players who have returned their accreditation shall no longer be considered members of the Participating Member Association's final list. The replacement player must be assigned the shirt number of the injured player being replaced.

**4.**

The final list of 12 players will be published by FIFA immediately after the submission deadline.

**5.**

Along with the above final list of players, a final list of 12 team officials shall be submitted online by the stipulated deadline.

**6.**

Before the start of the final competition, every player on the final list must prove his identity and nationality by producing his legally valid individual passport with photograph (stating day, month and year of birth). Any player who fails to submit these documents will not be allowed to take part in the World Cup 2021.

## 27

### Accreditation

**1.**

FIFA shall issue each player and team official with an official accreditation bearing a photograph. Each Participating Member Association will receive up to 24 accreditations (12 for the players on the final list, and 12 for the team officials on the final list). For the sake of clarity, FIFA will only cover the costs of up to 17 delegates as stipulated in the financial provisions.

**2.**

FIFA may provide a certain number of Supplementary Accreditation Devices (SADs) to each team in order to control and restrict access to the dressing rooms and the field of play on matchdays. Further details will be given to the teams at a later stage.

**3.**

FIFA reserves the right to revoke the accreditation of any official or player due to the misconduct of the individual concerned.

**4.**

The Participating Member Associations shall ensure that all accreditation data required by FIFA is submitted by the deadline stipulated by FIFA. Further details will be outlined in a circular letter.

**5.**

Players must wear their accreditations when entering the stadium and training sites. Team officials must wear their accreditations at all times in the stadium and at the training sites. Only players in possession of valid accreditation may play in the World Cup 2021.

**KIT AND TEAM EQUIPMENT****28** Kit and colours approval**1.**

The FIFA Equipment Regulations in force apply to all matches of the final competition, unless specified otherwise in these Regulations. To the extent that these Regulations and/or the Equipment Regulations are inconsistent with any aspect of the Media and Marketing Regulations, the Media and Marketing Regulations for the World Cup 2021 shall take precedence over the terms of these Regulations and/or the Equipment Regulations.

**2.**

Each team shall inform FIFA of two different and contrasting colours (one predominantly dark and one predominantly light) for its official and reserve team kits (shirt and shorts). In addition, each team shall select two contrasting colours for the goalkeepers. These two goalkeeper kits must be different and contrasting from each other as well as from the official and reserve team kits. This information shall be submitted online via the team colour form by the stipulated deadline. Only these colours, once reviewed and approved by FIFA as stated in art. 28 par. 4 below, may be worn during matches.

**3.**

For the substitution of the goalkeeper, as stated in Law 3 of the Beach Soccer Laws of the Game, each team shall supply goalkeeper shirts with players' numbers. These shirts will be used when another player takes the position of the goalkeeper during a match. These extra goalkeeper shirts must be provided in the same two colours as the official and reserve goalkeeper shirts.

**4.**

The Participating Member Associations will be asked to send samples of kits (playing kit and all other items used at the stadium) to FIFA, who will confirm the exact approval procedure. On the basis of this procedure, FIFA will issue a written team kit report, approving or rejecting the kit items.

## 29 Numbers and names

### 1.

Only the numbers 1 to 12 may be allocated to the players, with number 1 being reserved exclusively for one of the goalkeepers. These numbers must be displayed at chest height on the front of the shirts, and on the shorts, and the players' names must be added to the numbers on the back according to the FIFA Equipment Regulations. The numbers shall correspond to the numbers indicated on the final list.

### 2.

The player's last name or popular name (or abbreviation) shall be affixed above the number on the back of the shirt and shall be clearly legible in accordance with the FIFA Equipment Regulations. The name on the shirt must bear a strong resemblance to the player's popular name as indicated on FIFA's final list of players and in any other official FIFA documentation. In case of doubt, FIFA shall have the final decision regarding the name that appears on the shirt.

### 3.

For the players who may substitute a goalkeeper during a match, the goalkeeper shirts used must display the player number and name as indicated on the final list.

## 30 Match colours designation

### 1.

In principle, each team shall wear its official team kit as declared on the team colour form. If the two teams' colours and the match officials' colour might cause confusion, in principle, team A in the official match schedule shall be entitled to wear its official team kit and team B shall use its reserve team kit or, if necessary, both teams shall wear a combination of the official and the reserve team kits. FIFA will endeavour to ensure that each team wears its official team kit at least once during the group stage.

### 2.

The FIFA administration informs the teams of the playing colours before the start of each match. The colours assignment decided by the FIFA administration is final.

**3.**

The official and reserve team kits and all goalkeeper kits shall be taken to every match.

**4.**

During the World Cup 2021, all equipment (kits, gloves, bags, medical equipment, etc.) that could be on display in the stadium, at the training sites, in the hotels or during transfers to, from or within the host country must be approved by FIFA at the latest during the Team Arrival Meeting.

## **31** Other equipment

**1.**

FIFA will supply a sufficient number of players' sleeve badges with the official competition logo of the World Cup 2021, which shall be affixed on the right-hand sleeve of each shirt. A different FIFA campaign logo may be affixed on the left-hand sleeve. FIFA will communicate to the participating teams the instructions for use of the players' sleeve badges.

**2.**

FIFA will provide each participating team with a set of special equipment upon arrival in the host country (drinks bottles, drinks coolers, medical bags, captain's armbands, etc.). This equipment must be used at the stadium and official training sessions, to the exclusion of any similar items.

**3.**

The beach soccer balls used in the World Cup 2021 shall be selected and exclusively supplied by FIFA. Time permitting, each team will receive training balls from FIFA prior to the World Cup 2021 after the successful submission of the required team entry details. Training balls will also be provided to the participating teams upon arrival in the host country. Only these balls provided by FIFA may be used for training and warm-up sessions at the official stadium and training sites.

**4.**

Only warm-up bibs provided by FIFA may be used during official training sessions and in the stadium on the team benches, the pre-match warm-up and the warm-up of substitute players during the match.

## MATCH ORGANISATION

# 32

### Start list

#### 1.

Each team is responsible for arriving at the stadium at the latest 75 minutes before the kick-off of the respective match and for providing the completed start list to the FIFA General Coordinator upon arrival.

#### 2.

Before each match, the teams will receive a start list with all 12 players' full names and shirt numbers together with the full names of the team officials eligible to be seated on the bench.

#### 3.

The start list should be duly completed by selecting the five players who will start the match, indicating the captain, selecting the team officials to be seated on the bench (maximum of five) and signed by the head coach or the authorised participating team official. Both teams must submit their completed start list to the FIFA General Coordinator at least 75 minutes before kick-off. If the start list is not submitted on time for any reason, the matter will be reported to the FIFA Disciplinary Committee.

#### 4.

The numbers on the players' shirts must correspond to the numbers indicated on the start list. Each team is responsible for ensuring that the start list is completed properly and that only the five selected players start the match.

#### 5.

If any of the five players submitted on the start list are not able to begin the match due to injury or illness, they may be replaced by any of the eligible substitutes as long as the FIFA General Coordinator is officially informed thereof prior to kick-off. Within 24 hours, the team concerned must also provide FIFA with a medical report issued by the team doctor responsible (in one of the four official languages of FIFA).

#### 6.

Further to the above, any injured or ill player who is removed from the start list will no longer be eligible to take part in the match, and thus cannot be selected as a substitute player at any time during the match. Although no longer eligible to play as a substitute, the injured or ill player who was removed from the start list before kick-off may be seated on the team bench.

**7.**

Only the players who were identified on the official start list submitted to the FIFA General Coordinator, or were confirmed as a warm-up injury/illness replacement player, may start the match. In the case of any discrepancies of players on the pitch at the beginning of the match, the matter will be submitted to the FIFA Disciplinary Committee for a decision.

## **33** Technical area

**1.**

The technical area is the area which the coach, other team officials and substitutes are allowed to occupy during the match. It includes the dugout (if applicable), the team bench and a marked zone adjacent to the pitch.

**2.**

No more than 12 people (seven substitute players and five team officials – one of these team officials shall be the team doctor) shall be allowed to sit on the team bench. A suspended player or team official will not be allowed to sit on the team bench.

**3.**

If there is sufficient space, additional technical seats in the stand shall be allocated for accredited team officials providing technical support to the team during the match (kit manager, assistant physiotherapist, etc.). Staff occupying such seats shall have access to the dressing rooms, with a valid SAD if applicable.

**4.**

During the match, substitutes are allowed to leave the technical area to warm up. At the Group/Match Coordination Meeting, the FIFA General Coordinator determines exactly where the players may warm up.

**5.**

A maximum of four players per team (including the goalkeeper) shall warm up at the same time. Both teams shall warm up in the designated area.

**6.**

Smoking is not allowed in the technical area, in the vicinity of the field of play or within the competition areas, such as the dressing rooms.

## 34 Match protocol

1.

The countdown to kick-off provided to both teams in advance of the match shall be strictly complied with by both teams.

2.

The FIFA flag and the flags of the host country and both competing associations shall be flown in the stadium at every match.

3.

The national anthems of the two teams will be played before each match. The Participating Member Associations shall confirm their national anthem to FIFA (maximum duration of 90 seconds) by the date stipulated in the relevant circular.

## 35 Official training sessions and pre-match warm-up

1.

Teams may be entitled to one 45-minute training session in the stadium before the start of the final competition. FIFA may shorten or cancel the training session if deemed necessary.

2.

The teams will be entitled to warm up on the pitch before each match, weather and pitch conditions permitting. In principle, such warm-up will be 30 minutes long and will take place from 50 minutes prior to kick-off until 20 minutes prior to kick-off. If the pitch is not in good condition or if warm-up sessions would negatively affect the state of the pitch for the match, or if the pitch is to be used for ceremonies related to the World Cup 2021, or if there is another official match being played on the pitch, FIFA may shorten or cancel the warm-up session.

## REFEREEING

# 36 Beach Soccer Laws of the Game

All matches shall be played in accordance with the Beach Soccer Laws of the Game in force at the time of the World Cup 2021. In the case of any discrepancy in the interpretation of the translations of the Beach Soccer Laws of the Game, the English version shall be authoritative.

# 37 Referees

**1.**

The referees and assistant referees (hereinafter referred to collectively as “match officials”) for the World Cup 2021 shall be appointed for each match by the FIFA Referees Committee. They shall be selected from the FIFA International Refereeing List in force and come from a member association that is not represented by a team playing in the match in question. The decisions of the FIFA Referees Committee are final and not subject to appeal. A reserve assistant referee may also be appointed for certain matches.

**2.**

If the referee or one of the assistant referees is prevented from carrying out his duties, such referee or assistant referee shall be replaced by the third referee.

**3.**

After each match, the referee shall complete the official match report online form whilst still at the stadium. The referee shall note all occurrences of significance, such as misconduct of players leading to caution or expulsion, unsporting behaviour by supporters and/or by officials or any other person acting on behalf of a participating team at the match and any other incident happening before, during and after the match in as much detail as possible.

**FINANCIAL PROVISIONS****38** Costs borne by FIFA

FIFA shall bear the costs of:

**1.**

International air travel (economy class) for each member of each Participating Member Association, up to 17 delegates from the capital city of the respective Participating Member Association (or, in exceptional cases, from another city as decided by FIFA) to the capital city of the host country or, if deemed necessary by FIFA, to the international airport nearest to the venue where the team is scheduled to play or any other venue designated by FIFA, with an airline specified by FIFA. Depending on the contracts negotiated between FIFA and the airline(s), FIFA will decide on the weight of excess baggage for which FIFA will bear the costs, and will inform the Participating Member Associations accordingly.

**2.**

Board and lodging for 17 Delegation Members from each Participating Member Association. This includes:

- a) 6 double rooms and 5 single rooms;
- b) 1 treatment room;
- c) 1 equipment room;
- d) 3 meals per day, and an additional light meal for every matchday.

A meeting room will be available for team use at designated times.

These rooms shall be available starting four days prior to each team's first match and ending one day after its last match. FIFA may make exceptions in the event of unforeseen circumstances resulting from transport difficulties.

**3.**

Laundry service for a set of match or training kits for up to 17 people per participating team per day, starting four days prior to each team's first match and ending one day after its last match.

**4.**

Prize money for the Participating Member Associations, the amounts of which shall be determined by FIFA and communicated by means of a circular letter.

## 39 Costs borne by the Organising Association

The Organising Association shall bear the costs of:

### 1.

Domestic travel (road, rail or air) within the host country for up to 17 people per participating team;

- a) One team bus will be provided for the exclusive use of each participating team during the period commencing four days prior to each team's first match and until one day after its last match.
- b) One luggage truck will be provided when travelling between the airport and the official team hotel.

### 2.

Training facilities for the participating teams.

## 40 Costs borne by the Participating Member Association

### 1.

Each Participating Member Association shall be responsible for and bear the costs of:

- a) adequate insurance cover for its Delegation Members;
- b) board and lodging during the World Cup 2021 in excess of the amounts paid by FIFA or the Organising Association specified above;
- c) all incidental hotel costs;
- d) any costs associated with additional members in excess of the 17 Delegation Members covered;
- e) costs for any additional equipment and/or items not covered by FIFA in the team meeting rooms and/or the team dressing rooms;
- f) costs for any additional menu items other than those agreed between FIFA and the team hotels.

### 2.

Any expenses other than those stipulated in these Regulations and explicitly outlined to be borne by FIFA or the Organising Association shall be borne by the relevant Participating Member Association.

## MEDICAL

## 41 Team medical doctor

Each Participating Member Association shall include a medical doctor in its delegation. It is mandatory for the medical doctor or any other medical staff member of each Participating Member Association to have completed and passed the “Concussion” and “Sudden Cardiac Arrest” modules of the FIFA Diploma in Football Medicine ([www.fifamedicalnetwork.com](http://www.fifamedicalnetwork.com)).

## 42 Sudden cardiac arrest and concussion

### 1.

In order to discover heart issues or risk factors which might lead to a sudden cardiac arrest during matches of a final competition, and to protect players' health, each Participating Member Association shall ensure and confirm to FIFA that its players undergo a pre-competition medical assessment prior to the start of the final competition. FIFA will provide all Participating Member Associations with an assessment form.

### 2.

A player who experiences suspected concussion during a match must undergo an examination by the team doctor in accordance with the protocols documented in the FIFA Football Emergency Medicine Manual. The referee may temporarily suspend play for up to three minutes whenever an incident of suspected concussion occurs. The referee may only allow the player to continue playing with the authorisation of the team doctor, who shall have evaluated the player and ruled out any suspicion of a concussive injury. The team doctor will have the final decision based on a clinical examination and subject to an express prohibition against returning a player to play if concussion is suspected.

FIFA recommends that medical teams follow a graduated return-to-play protocol set forth in SCAT5 for any player who has suffered concussion. SCAT5 recognises that the time frame for return to play may vary, dependent on factors such as the player's age, gender, their symptoms and medical history, and that doctors must use their clinical judgment in making decisions with respect to return to play. The player's welfare must be their sole concern. FIFA requires that before any player who suffers a concussive episode can return to play in the World Cup 2021, the team doctor certify that (a) such player

has passed each of the steps set out in SCAT5, and (b) such player is fit for competition by submitting a documented report to the FIFA General Medical Officer.

Any such waiver shall only be valid if given in writing. Failure by FIFA to insist upon strict adherence to any provision

of these Regulations, or any document referred to in these Regulations, on one or more occasions will not be considered to be a waiver of, or deprive FIFA of the right to subsequently insist upon, strict adherence to that provision or any other provision of these Regulations, or any document referred to in these Regulations.

**1.**

These Regulations were approved by the FIFA Council on 17 September 2020 and came into force immediately.
