Friendly games with teams of the Football Federation of Kosovo

Dear Sir or Madam,

We would like to inform you that the FIFA Emergency Committee has decided to allow FIFA member associations to play friendly matches involving clubs and representative teams of the Football Federation of Kosovo (FFK) under a new set of parameters agreed on 10 January 2014 by the Football Association of Serbia (FSS) and the FFK at a meeting chaired by the FIFA President.

Under the parameters, the following modalities of friendly games involving clubs and representative teams of Kosovo have been approved:

- FIFA member associations are allowed to play international friendly matches with clubs and representative teams of the FFK.
- Clubs and representative teams of the FFK may not display national symbols (flags, emblems, etc.) or play national anthems. However, they are allowed to wear or display kit or equipment bearing the name "Kosovo" as well as the symbol of a star of the size of the letter "o" in the name "Kosovo".
- Clubs and representative teams of the FFK may not play official or qualification matches while the FFK is not a member of FIFA.
- Clubs and representative teams of the FFK may not play matches against clubs and representative teams of countries of the former Yugoslavia until further notice.
- International friendly matches involving clubs and representative teams of the FFK may be played on the territory of Kosovo provided that FIFA is informed in writing at least 21 days before each match. FIFA will in turn inform the Football Association of Serbia.
- Any breach of this agreement will be referred to FIFA and the agreement will automatically come to an end.

We kindly ask you to take note of the above,

Yours faithfully,
